

CENTER OF THE GALAXY

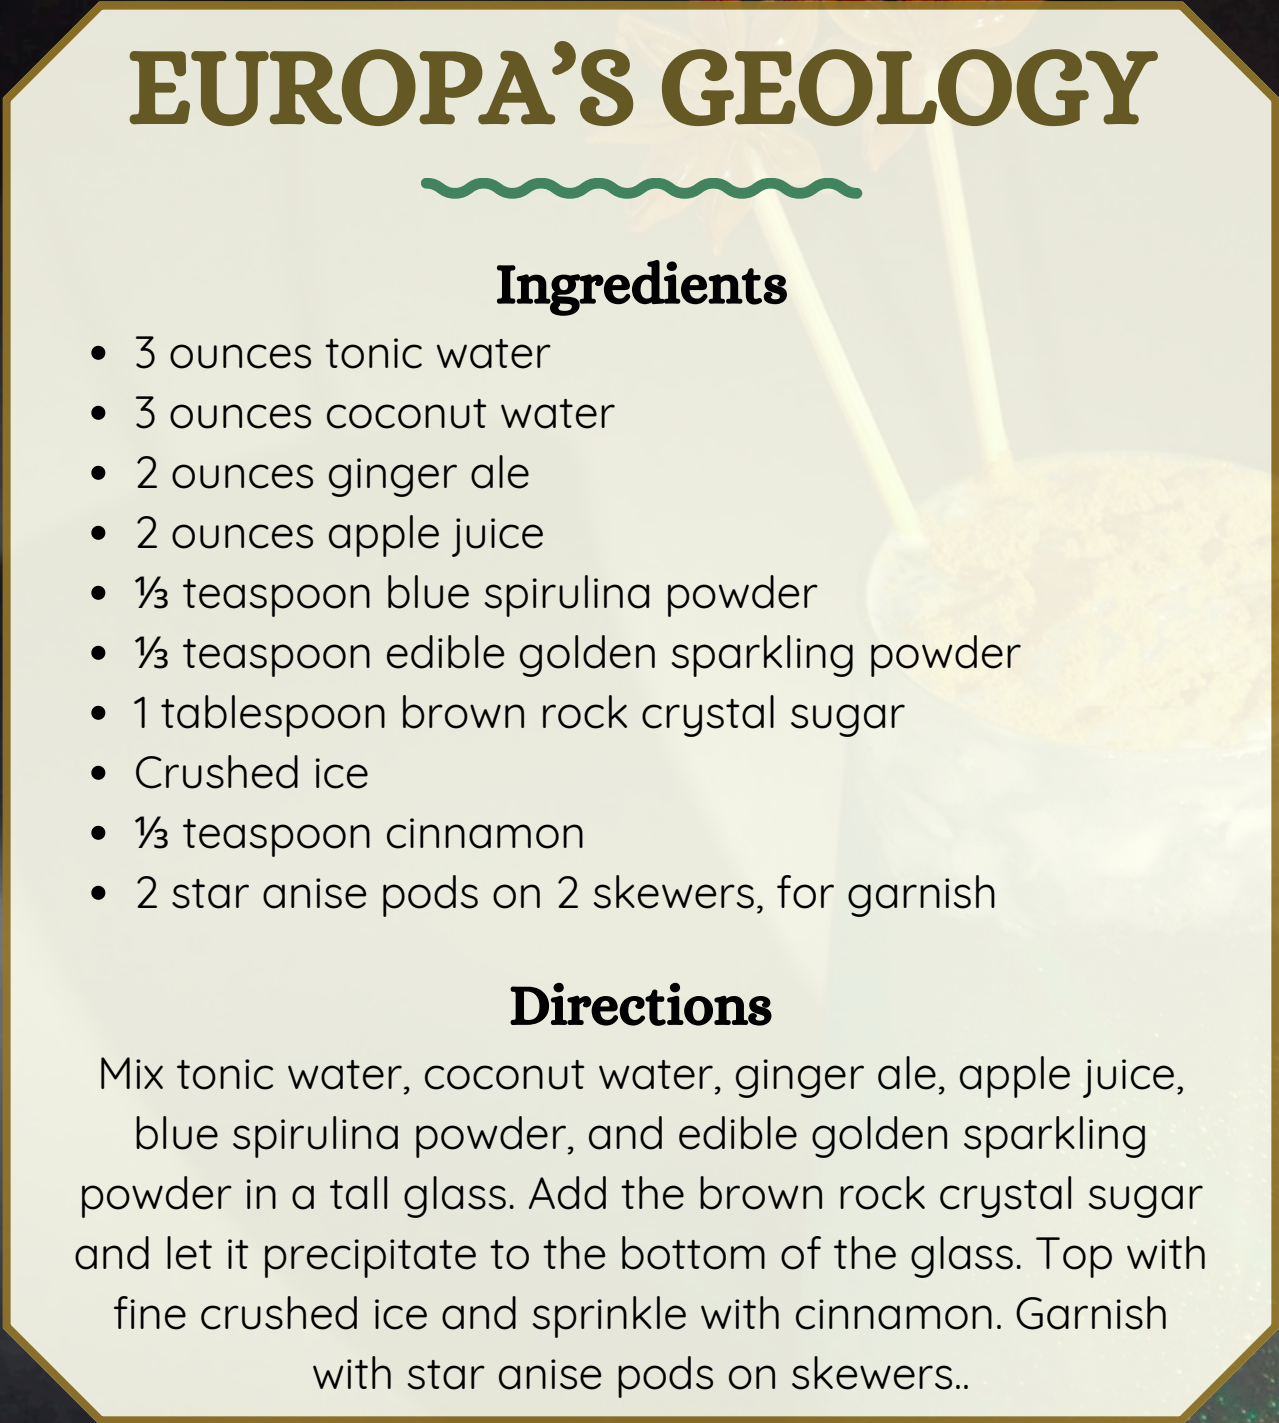

Ingredients

- 2 ounces demerara rum
- ½ ounce fresh lime juice
- ½ ounce simple syrup
- ½ ounce honey syrup (equal parts honey and water)
- ¼ ounce raspberry liqueur
- 1 small pinch cinnamon
- 1 raspberry and lime wheel for garnish

Directions

Combine ingredients in a shaker and fill with ice. Shake well and strain into a chilled glass. Spear a raspberry in the center of a lime wheel and float in the center of the glass as a garnish.

EUROPA'S GEOLOGY

Ingredients

- 3 ounces tonic water
- 3 ounces coconut water
- 2 ounces ginger ale
- 2 ounces apple juice
- 1/3 teaspoon blue spirulina powder
- 1/3 teaspoon edible golden sparkling powder
- 1 tablespoon brown rock crystal sugar
- Crushed ice
- 1/3 teaspoon cinnamon
- 2 star anise pods on 2 skewers, for garnish

Directions

Mix tonic water, coconut water, ginger ale, apple juice, blue spirulina powder, and edible golden sparkling powder in a tall glass. Add the brown rock crystal sugar and let it precipitate to the bottom of the glass. Top with fine crushed ice and sprinkle with cinnamon. Garnish with star anise pods on skewers..
