

### Here's What You Do

Children age 0-12 read 1,000 minutes--20 minutes a day for 50 days--and complete the requirements for 3 out of 6 Library Activities.

### Track your reading

Make your own chart or calendar to easily keep track of the days and minutes that you read. Parents may read to you and you can read on your own. After reading for 500 minutes, come to the library (with your calendar) for a prize!

### Library Activities

Choose 3 of the 6 Activities that you'd like to fulfill. Make a checkmark by the ones you complete. Most activities have multiple requirements.

### Activity #1 Let's Draw Animals!

- Attend our Virtual Cartooning Event, Monday, June 7, 11:00 a.m. Go to our website for the Zoom link.

### Activity #2 For The Birds

Choose three out of four

- Read three books about birds--make sure one is non-fiction.
- Visit the Swaner EcoCenter, the Tracy Aviary, or any other Utah Bird Refuge. Spot as many different birds as you can.
- Make a back-yard bird feeder.
- Start your own Bird Life List. That's a list of all the birds you see in your lifetime--grab a journal and get started. You'll be an official Bird Watcher!

### Activity #3 Tails or Tales?

Choose three out of four

- Attend a Library Summer Story Time at the Park. Check your branch for specific days and times.
- Read a chapter book, or three picture books, based on traditional fairy tales.
- Read three "fractured" fairy tale picture books. If you're having trouble, ask a librarian where you might find some.
- Take some time to gaze at the stars. Do you see any constellations? Do you see a comet with a tail? Draw a picture of what you see in the night sky.

## Activity #4 Tail Waggin' Fun

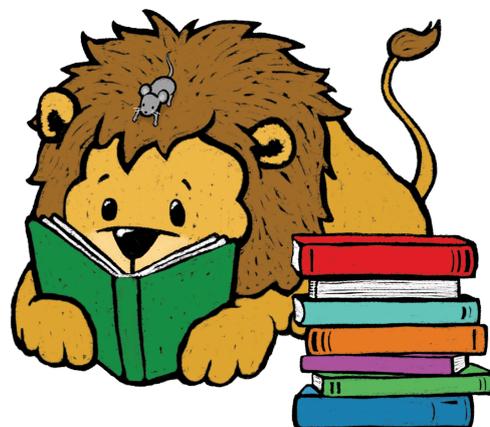

Choose four out of six

- Have a movie night. Watch a film starring some amazing animals. Eat popcorn. Wear your jammies. You can find lots of movies at "Kanopy for Kids" on the library's website.
- Read a picture book biography about someone who has devoted their life to studying, rescuing or helping animals.
- Read a book that features an animal hero--chapter book, picture book or non-fiction.
- Read a chapter book, or three picture books, about any of the following animals--a badger, an elephant, or a squirrel.
- What is a BESTIARY? It's not as scary as it sounds. In fact, they're quite fascinating. See if you can find out what it is, then use that knowledge to make an "illumination" of the first letter of your name. You may need to find out what "illumination" means, too.
- Attend the Summit County Library's "Perfect Little Pet Show" on Thursday, July 15 at 11:00 a.m. via Zoom. Bring your pet to the screen and be ready to party!

## Activity #5 Walk in Someone Else's Shoes

Choose three out of four

- Read one chapter book, or three picture books, about someone who is somehow different than you.
- Read one chapter book, or three picture books, about something that happened before you were born.
- Find out about your very own relatives. Ask your parents and grandparents some questions about themselves. What do they remember about elementary school? Who were their best friends? Did they ever get into any kind of mischief? Favorite food? Take a picture with them to help you remember what you talked about.
- Cook something new! Find a cookbook in our children's non-fiction (JNF 641.5) that has some recipes from a culture or country different than the food you're used to.

## Activity #6 Geocaching Adventure in Coalville

Complete all three

- Go to the Coalville Branch Library to begin your geocache adventure and pick up your first coordinates.
- Find all five geocache treasures. Be sure to put everything back the way you found it for the next treasure hunters.
- Return to the Coalville Branch Library, show a librarian your map, with the correctly placed stickers, to enter the Coalville Geocache prize drawing. If the library is closed, please put your map in the Coalville Branch book drop. Be sure to include your name and contact information--good luck!

When you have completed the requirements for 3 out of 6 Badge Challenges AND you've kept a record for reading 1,000 minutes, you've completed our 2021 Summer Reading Challenge! Bring both records (reading and badges) to the library and choose between a "Tails and Tales" t-shirt OR book bag.  
**CONGRATULATIONS!**
